Payment by Check to Tater Patch Players.

TPP, PO Box 267, Jasper, GA 30143.

Workshop is for young actors and will include an overview of acting, stagecraft, technical theater, stage music, theater dance, improvisation, and auditioning. Time on stage and in the theater is always fun! Workshop includes a mid-morning snack. Recital will include light lunch for actors and audience.

Tater Patch is looking forward to 2017 and would like to produce at least one show with young actors in the cast, if not a full youth production. We offer this workshop to encourage young performers to consider community theater to give them another avenue to show their talent and enthusiasm.

\*Scholarships are available. Multiple child discount available for families with an abundance of actors! **For information or with questions, please email us at [taterpatchplayers@gmail.com](mailto:taterpatchplayers@gmail.com).**
